

Your Coordination of Care Packet

This booklet features information designed to meet your needs during your stay with us, as well as information regarding your discharge. A listing of contents is included to assist you in locating information that is most pertinent to you and your family.

Additional materials may be added to this packet during your stay, such as information specific to the unit where your room is located or materials regarding your condition, prescribed medications and follow-up care. We hope you find this packet a convenient way to organize this information.

Look inside.

Clean hands are caring hands. Read about the importance of good hand hygiene for your caregiving team members and your visitors.

-  *See inside back cover for a list of important phone numbers.*
-  *Your family will need the passcode to receive information about your care.*
-  *We encourage you to leave your valuables at home; you retain personal belongings at your own risk.*

However, if you are prescribed medications at discharge and would like to purchase them before you go home, you will need a method of payment.

Helpful hints for items that are needed during your stay:

- Please avoid placing dentures on a meal tray, under a pillow, on the sheets or in any concealed place where they may be lost or accidentally thrown out.
- Do not leave hearing aids unprotected on the bedside or over-bed table.
- To prevent loss or damage to eyeglasses during hospitalization, patients are asked to not leave them unprotected on the bedside table, in a robe pocket or on the bed.
