

Go home with your child's prescriptions filled!

What is Rx Express?

A program provided by Baptist in collaboration with Walgreens pharmacies. Discharge prescriptions are filled and delivered to your hospital room so you can go home with your prescription.

What are the benefits?

Convenience! Save yourself or your loved one a trip to the pharmacy after discharge.

Rx Express is available during the pharmacy hours listed below. Please allow a 90 minute turnaround time.

What about refills?

If your doctor provides refills, we can refill your medications at any Walgreens pharmacy. If your prescription is on record at a different pharmacy, simply have your pharmacist call Walgreens to transfer your refills.

What will I need to participate?

If you have **prescription** insurance, please provide a copy of your card at registration. Each year, beginning January 1, we will need a new copy of your card regardless of your previous Rx Express participation.

Who is qualified?

Anyone can participate in the Rx Express program, with very few exceptions.

How much will my prescription cost?

We will bill your insurance, so your copays will be similar or less than what you normally pay. The price will depend on your personal prescription insurance policy.

What if I don't have insurance?

If you pay out-of-pocket for prescriptions, we will work with you to find the best price.

How do I get started?

Ask your nurse about how you can participate in Rx Express!

How do I pay?

Most major insurance plans are accepted. Now accepting TRICARE and Florida Blue insurance plans! Copayments are collected at the time of delivery.*
