

Welcome to Wolfson Children's Hospital NICU at Baptist South

On behalf of our physicians, nurses, team members and volunteers, we would like to extend a warm welcome to the Wolfson Children's Hospital NICU at Baptist South.

We are honored to provide your child's care and want to do everything we can to make your child's experience with us the very best it can be. We consider every single one of our team members at Wolfson Children's Hospital and Baptist South to be a caregiver; they are here to help you in any way they can.

Patient and family communication is very important to us. That's why the nursing team on your unit is committed to keeping you and your loved ones informed, listening carefully to your questions and concerns and responding to your needs in a timely manner. **If you have any questions during your stay, your direct caregiver or nurse manager will want to know, so please speak up. They are here to help.**

Our role as hospital administrators is to serve you. So, **if we can be of additional assistance, please do not hesitate to contact us.** Making ourselves available to you is just one of the many ways we are changing health care for good at Wolfson Children's Hospital and Baptist South.
