

# Welcome to Wolfson Children's Hospital NICU

On behalf of our physicians, nurses, team members and volunteers, we would like to extend a warm welcome to Wolfson Children's Hospital.

We are honored to provide your child's care and want to do everything we can to make your child's experience with us the very best it can be. We consider every single one of our team members at Wolfson Children's to be a caregiver; they are here to help you in any way they can.

Our hospital is nationally recognized for high-quality patient care and is one of the few in America to have earned Magnet status by the American Nurses Credentialing Center, in recognition of our continuous focus on quality, dedication to providing patient-centered care and teamwork among all medical disciplines.

Patient and family communication is very important to us. That's why the nursing staff on your unit is committed to keeping you and your loved ones informed, listening carefully to your questions and concerns and responding to your needs in a timely manner. If you have any questions during your stay, your direct caregiver or nurse manager will want to know, so please speak up. They are here to help.

Our role as hospital administrators is to serve you. So, if we can be of additional assistance, please do not hesitate to contact us. Making ourselves available to you is just one of the many ways we are changing health care for good at Wolfson Children's Hospital.
